SUBJECT: OFFICIAL LIQUIDATION OF OPERATIONAL CASH ADVANCE

Dear Ms. Roxas,

This letter is to formally submit the documentation and definitive liquidation breakdown for the cash advance previously disbursed to support my field operations. This correlates directly to System Ref ID: SYS-LIQ-2026-0412, released for the regional laboratory verification assignment executed from June 02 to June 06, 2026.

A total cash advance of PHP 20,000.00 was originally allocated. Based on actual project expenditures, the narrative summary of totals reflects: transportation expenses (including provincial fuel, land tolls, and transit) at PHP 9,500.00; hotel accommodations at PHP 7,500.00; and field subsistence/meals at PHP 2,200.00. This aggregates to a total utilized sum of PHP 19,200.00.

Consequently, an excess unexpended cash balance of exactly PHP 800.00 remains on hand. In strict compliance with SBSI accounting mandates, I have surrendered this residual cash amount back to the treasury department, and the verified physical cash receipt has been uploaded alongside our verified invoices. I trust everything is found in complete order.

Sincerely,

_____
